

OLIVE GAYE, MBA
Founder & President
GenCare Resources Healthcare

Olive is the owner and founder of GenCare Resources Healthcare; a full-service healthcare company that provides medically necessary care to individuals of all ages in the state of Florida. In the past year, she launched a medical staffing firm; providing nursing professionals to fulfil the needs for quality talent in the medical field throughout the nation.

Prior to establishing GenCare Resources, Olive was a Human Resources executive for the Greater Orlando Aviation Authority, the managing body for Orlando International Airport and Orlando Executive airport. Her experience in Human Resources has provided a broad view of people, culture and diversity in the workplace. She has leveraged her HR background in formulating her own company. She understands that intelligence, skill-sets, motivation, diligence are keys to building a solid and diverse team. Olive is a member of many organizations and the winner of leadership awards and is the consummate volunteer for many organizations, believing, as was ingrained in her upbringing, everyone has something to give back to the community.

Olive's professional memberships include: Board Member of Orlando Regional Chamber of Commerce (Orlando Inc.) The Society for Human Resources (SHRM); Home Care Association of Florida (HCAF) and Airports Council International (ACI.), National Black MBA Association, Florida Executive Women (FEW), Crummer Women Executives and Entrepreneurs, (CWEE), and American Staffing Association (ASA). Her social life includes reading and writing, has published a poem and performed one of her stories at the Orlando Museum of Art. Socially, Olive enjoys cooking, traveling, exotic foods, and embracing the unique experience of learning from diverse individuals and cultures.

Olive holds a Master of Business Administration Degree from the Crummer Graduate School of Business at Rollins College in Florida and a Bachelor of Arts Degree from The Institute of Management and Production in Kingston, Jamaica. She is a graduate of ATHENA *PowerLink* and Leadership Orlando.

Olive is a motivational speaker and an active member of her community who has been recognized as one of Central Florida's healthcare leaders who have guided the region through unprecedented industry changes and continue to significantly impact the practice of medicine.
